## THE CITY OF SUWON

Suwon is the capital and largest metropolis of Gyeonggi-do, South Korea's most populous province which surrounds Seoul, the national capital. Suwon lies about 30 kilometers (19 miles) south of Seoul. It is traditionally known as "The City of Filial Piety".

The population is close to 1.2 million.

Suwon has existed in various forms throughout Korea's history, growing from a small settlement to become a major industrial and cultural center. It is the only remaining completely walled city in South Korea. The city walls are one of the more popular tourist destinations in Gyeonggi Province. Samsung Electronics R&D center and headquarters are based in Suwon. The city is served by two motorways, the national railway network, and the Seoul Metropolitan Subway. Suwon is a major educational center, home to 11 universities.

## THE ORGANIZER(KDVSC)

This event is organized by Korea Disabled Veterans Sports Council(KDVSC), a rehabilitation sports specialized agency of Korea Disabled Veterans Organization(KDVO). The mission and objectives of KDVSC are as below:

- To develop sporting opportunities for disabled veterans to inspire their rehabilitation will and enjoy a better quality life
- To contribute to the development of sports for the disabled by promoting excellent athletes and supporting affiliated federations
- To promote international sports exchange for the enhancement of national prestige and the contribution to international friendships and world peace

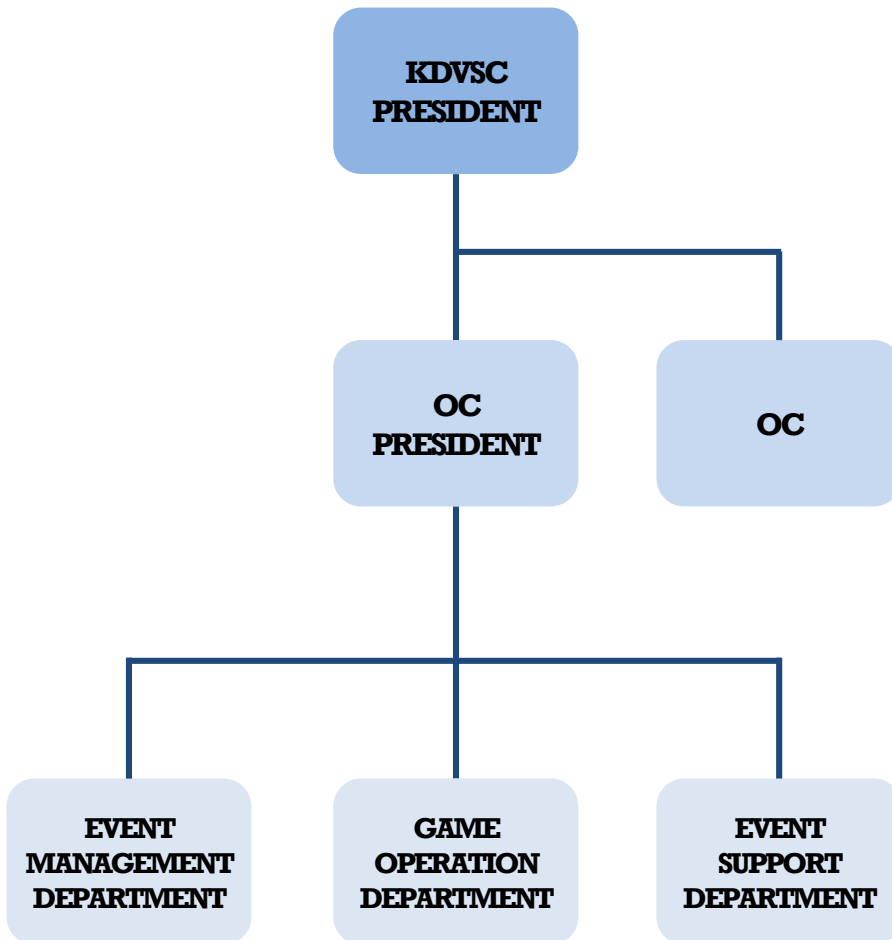

KDVSC, member of International Wheelchair and Amputee Sports Federation(IWAS), sent a delegation to the 14<sup>th</sup> ISMG in 1965, which is the Korea's first participation in the international sporting event for the disabled and held Korea's first multi sports event for the disabled in 1967. KDVSC has played an important and crucial role as a founder of Paralympic movement in Korea.
