

Girls & women - do you have a disability and play bowls?

Disability Bowls England want more female players to take part in events & competitions and ask players, clubs & counties to register an interest and get involved.

amputee, deaf, wheelchair, cerebral palsy, fibromyalgia, autism, visual impairment, balance issues, stroke, brain injury, restricted growth, learning difficulties, problems walking & more.....

Get together for female players with a disability coming to your area soon.

Disability Bowls England offer opportunities to play matches, enter competitions, play for fun or aim for International, World Championships or Commonwealth Games events.

To register your interest, contact Mo Monkton 07817 313 663
