
HOW CAN YOU HELP

The Number of players and groups taking part in bowls for people with disability is growing at a fantastic rate and more funds are needed to continue the good work, provide opportunities and maintain this steady growth.

CAN YOUR CLUB HELP BY ORGANISING A FUNDRAISING EVENT?

Have some fun at the start of a match by holding a "Spider". £1.00 each with winner keeping a small percentage of the takings or given a donated prize.

Hold a "Whist Drive", always good fun and an opportunity to raise money at the bar. Charge per player with winners given a percentage of the takings or a donated prize.

A great social event at any club. Charge per player or team with winners given a percentage of takings or a donated prize. Good for bar takings as well!

Hold a "Coffee Morning" to collect club subs and raise money at the same time.

Club Tours..... Keep your "Fine Pot" & donate All good fun!!

A fundraising event at your club would be very much appreciated and put to good use.
